Bungay to Rumburgh via Ilketshall St Andrew 10 miles

Starting in St Marys Street, Bungay take the left turn into Wharton St and right into Beccles Rd for a short stretch and right into Annis Hill Lane and then left and immediately right into Annis Hill.

Follow the brown signs for the Heart of Suffolk route and it will take you along the quiet back roads of Mettingham and Ilketshall St Andrew. At Corner Farm, go straight on to continue along the loop or turn left for the suggested link to Ringsfield and Beccles on Route 1.

Continuing on the loop, on Route 1, you'll cycle through the attractive Beck's Green area and Ilketshall St Lawrence. Turn right to continue on the loop or take the suggested link on the left to Halesworth or Uggeshall and then Southwold.

The loop ride will take you more or less on a straight course for Rumburgh for a well deserved drink at the award winning Rumburgh Buck pub.

Rumburgh to Bungay via Ilketshall St Margaret

6 miles With the Rumburgh Buck PH on your left, head left to All Saints, South Elmham and bear round to the right to follow the meandering route to All Saints, South Elmham and St Michael, South Elmham.

The next short stretch will take you to a T junction where you need to turn right for lovely 11th Century St Peters Hall and Brewery where you will continue your journey back to Bungay on the Heart of Suffolk Cycle route. At Ilketshall St Margaret, you need to turn left and follow the very straight approach to Bungay along idyllic quiet lanes.

If you turn left on the suggested link, the route will link you to Homersfield and give you options of heading back to Bungay via Route 30 or onto Harleston via Route 30 if you wish.
